OFFICE OF PETITIONS

Applicants inadvertently paid a small entity fee for the Petition for Two Month Extension of Time filed October 12, 2004. The deficiency owed is calculated as follows:

Current Fee for Petition for Two Month Ext.	\$ 430
Fee paid on October 12, 2004	<u>\$ 215</u>
Deficiency owed:	\$ 215

Enclosed is a check for \$215 (amount owed to correct the entity status, as determined above).

37 C.F.R. 1.28(c) states that “[I]f . . . it is later discovered that such small entity status was established in error,” then the Applicants can correct the fee. Applicants construe this language to mean that the application need not be pending at the time that this correction is made. If, however, the Office construes the rule to require that the application is pending, then the Applicants petition the Office to extend the pendency of the application by an addition month and charge Deposit Account No. 06-1050 the required additional fee \$550 (\$980-\$430).
